

Mini Angle Grinder
115mm-860W

3112

- High performance 860W powerful motor delivers up to 11000 of no-load speed in RPM
- Light-weight, ergonomic mini angle grinder suitable for precise applications
- High-quality epoxy-coated field windings, makes the life time of the motor longer by preventing dust and small pieces from penetrating the motor windings
- Direct airflow system which cools the motor for more reliable performance and higher overload capabilities
- Special slim body design for ideal handling and higher working performance
- Quick change of disc guard allows the user to place the guard in different working positions
- 3 positions anti-shock ergonomic side handle which promotes easy work and perfect machine control in different range of operator movements

Model	3112
Power	860W
No-load RPM	11000 RPM
Voltage	220V
Frequency	50Hz
Wheel Diameter	115mm
Spindle Size	M14
Weight	2.2kg
Supplied in	Ronix color box
Includes	Auxiliary Ronix-design side handle, Wheel guard
