

## Induction High Pressure Washer

**160Bar-2200W**

# RP-1160

- Professional heavy-duty 2200W induction motor provides strong power that generates maximum water pressure for extreme cleaning power
- High-performance efficient induction motor ensures more service life, lower sound level and higher quality of water dispensing
- Total stop system automatically shuts off pump when trigger is not engaged and with the help of self-suction function ensure motor's longlife and also save energy
- Built-in thermal protector controls the tempreture of the motor during longtime working
- Professional high-pressure gun for better functionality and more convinience
- Ergonomic new design provides easy movement and brings more comfort in different cleaning tasks
- With wheels and handles for easy movement
- Equipped with both adjustable and turbo nozzels which manufactured from high-quality raw material and let you easily control spray angle in different cleaning tasks
- Built-in detergent tank for extra cleaning power and reducing cleaning time
- Automatic hose connector for easy and fast set up and quick inserting and removing of the hose
- Onboard hose reel for easy storage and quick winding and unwinding
- Suitable for heavy duty industrial usage
- Onboard hose reel for easy storage and quick winding and unwinding
- Rotary On/Off switch for convenient use
- 5-meter high-quality PVC pressure hose for more durability and higher efficiency
- Tempered stainless steel plunger easily unchokes the dirt stuck in the nozzle

Model	RP-1160
Power	2200W
Motor Type	Induction
Max Pressure	160Bar

Max Rated Flow	7.3L/Min
Detergent Tank Type	Built-in
Frequency	50Hz
Voltage	220V
Weight	19.6kg
Dimension	375*350*920mm
Supplied in	Ronix color box
Includes	Quick connector, Water inlet nut, Adjustable and turbo lances, 5-meter high-pressure PVC hose, Detergent tank, High-pressure gun, Hose reel, 5-meter power cord
