

## High Pressure Washer

**100Bar-1400W**

# RP-0100C

- Professional high-performance 1400W induction motor provides strong power that generates maximum water pressure for extreme cleaning power
- High-performance efficient induction motor ensures more service life, lower sound level and higher quality of water dispensing
- Total stop system automatically shuts off pump when trigger is not engaged and with the help of self-suction function ensures motor's long-life and also save energy
- Built-in thermal protector controls the temperature of the motor during longtime working
- Professional high-pressure gun for better functionality and more convenience
- Compact, portable design enables easy movement and provides more comfort during different cleaning tasks
- Equipped with both adjustable and turbo nozzles which manufactured from high-quality raw material and let you easily control spray angle in different cleaning tasks
- External detergent tank for extra cleaning power and reducing cleaning time
- Automatic hose connector for easy and fast set up and quick inserting and removing of the hose
- Suitable for both household and industrial usage
- 5-meter high-quality PVC pressure hose for more durability and higher efficiency
- Tempered stainless steel plunger easily unchoke the dirt stuck in the nozzle

Model	RP-0100C
Power	1400W
Motor Type	Induction
Max Pressure	100Bar
Max Rated Flow	5.4L/Min
Detergent Tank Type	External
Frequency	50Hz
Voltage	220V
Weight	9.8kg

Dimension	410*290*280mm
Supplied in	Color box
Includes	Quick connector, Water inlet nut, Adjustable and turbo Lances, 5-meter High-pressure PVC hose, Detergent Tank, High-pressure Gun, 5-meter Power Cord
