

High Pressure Washer

100Bar-1400W

RP-0100

- Professional high-performance 1400W induction motor provides strong power that generates maximum water pressure for extreme cleaning power
- High-performance efficient induction motor ensures more service life, lower sound level and higher quality of water dispensing
- Total stop system automatically shuts off pump when trigger is not engaged and with the help of self-suction function ensure motor's longlife and also save energy
- Built-in thermal protector controls the temperature of the motor during longtime working
- Professional high-pressure gun for better functionality and more convinience
- Ergonomic new design provides easy movement and brings more comfort in different cleaning tasks
- With wheels and handles for easy movement
- Equipped with both adjustable and turbo nozzels which manufactured from high-quality raw material and let you easily control spray angle in different cleaning tasks
- External detergent tank for extra cleaning power and reducing cleaning time
- Automatic hose connector for easy and fast set up and quick inserting and removing of the hose
- Suitable for both household and industrial usage
- Rotary On/Off switch for convenient use
- 5-meter high-quality PVC pressure hose for more durability and higher efficiency
- Tempered stainless steel plunger easily unchokes the dirt stuck in the nozzle

THERMO SWITCH

INDUCTION MOTOR SYSTEM

Model	RP-0100
Power	1400W
Motor Type	Induction
Max Pressure	100Bar
Max Rated Flow	4.8L/Min
Detergent Tank Type	External
Frequency	50Hz

Voltage	220V
Weight	10.5kg
Dimension	350*282*470mm
Supplied in	Ronix color box
Includes	Quick connector, Water inlet nut, Adjustable and turbo lances, 5-meter high-pressure PVC hose, Detergent tank, High-pressure gun, 5-meter power cord
